

LAKEVIEW
COLLEGE OF NURSING

ADAPTABILITY • CARING • EXCELLENCE • INTEGRITY • SERVICE

Coursework Required for Admission

University of Illinois at Chicago

Lakeview requires 60 credit hours in general education and prerequisite courses which must be fulfilled prior to beginning the nursing program. It is necessary to fulfill the majority of this coursework at another institution and then transfer credit hours to Lakeview. Additional coursework may be required as some institutions may require prerequisites prior to enrolling in courses listed below. The credit hours listed reflect minimum Lakeview requirements and may not reflect the actual credit hours of each listed course.

Furthermore, due to varying credit hours for transfer courses, students may be required to complete additional coursework to fulfill the 60 credit hour general education requirements.

***Indicates courses offered on Lakeview's Danville Campus.** You have the option of taking these (*)courses at Lakeview in Danville [or on-line, if indicated] as a non-degree seeking student or at another institution **PRIOR** to beginning the nursing program. Additionally, please be advised that these courses will not qualify for financial aid at Lakeview.

All prerequisite coursework must be indicated on an official transcript before students will be able to begin the nursing program.

- ___ ENGL 160 for English Composition I (3 cr.)
- ___ ENGL 161 for English Composition II (3 cr.)
- ___ COMM 100 for Speech (3 cr.)
- ___ KN 251 or KN 253/255 for Anatomy & Physiology I or Human Anatomy (4 cr. with lab)

Additional Requirement: Current CPR Certification. Verification of current certification in CPR is a prerequisite for enrollment in all clinical courses. The only two courses accepted are: The American Heart Association – Basic Life Support (CPR and AED Program) – OR – The American Red Cross – Basic Life Support for Health Care Providers. Ideally this should be taken as close to the Lakeview start date as possible.
