Accreditation

The Higher Learning Commission Team has recommended Lakeview College of Nursing receive continuing accreditation with the next evaluation scheduled for 2017-2018. The College is also accredited by the Commission on Collegiate Nursing (CCNE) and National League for Nursing Accrediting Commission (NLNAC). We will notify you of upcoming future visit dates for those accreditations. Alumni are always invited to participate in the process.

New Addition at Danville & New Building at LCN/EIU

In the fall of 2006 a building project began on the Danville Campus to provide two additional classrooms and a student study area to better serve the college's growing enrollment. By the fall of 2007 the Danville Campus building expansion was complete. The college also acquired a building for the LCN-EIU campus at 580 W. Lincoln Ave. in Charleston. This building provides faculty and students with a nursing arts lab, faculty offices classroom, student lounge, and a small computer lab to the LCN-EIU students.

Lakeview Graduates in the News

Martha Coventry, Class of 1991, published an article in Journal of Gerontological Nursing (2006) on Care with Dignity: A conceptual Analysis, p 42-48.

Roger McCall, Class of 1990 purchased the Key Club an adult care center this past Spring.

Linda Kay May, Class of 1991, has been recognized nationally for her work in providing safety environments for workers exposed to Black Mold. She has also received patents for the recognition, identification, and testing of black mold and neurotoxins.

Linda Felix Moss Porter, Class of 1971, has posted a group on her online Facebook account for her class. (listed under Susie Porter). She is currently working as an assistant director of nursing at a home health private duty agency in Valley Forge, PA. She is a CPHQ.

Newsorthy Note: Approximately 15% of all Lakeview College of Nursing Graduates further their education. Many are nurse practitioners, some are nurse midwives, certified nurse anesthetists, nurse administrators, nurse educators, clinical nurse specialists, or own their own business. One is even an attorney!

Please send updates to the Dean's office for inclusion in future alumni newsletters.

LCN Featured on "Today's Family" airing on Oxygen & PAX TV

This past winter a camera crew was here filming a clip on nursing. Shane Hilton, Class of 1996, Janet Thornton, Class of 1998, Roger McCall Class of 1990, Erica Dixon, Class of 2007, Katie Marlatt, Class of 2008, and Ariel Carter Class of 2009 were all featured.

To view the film clip go to: <http://www.youtube.com/watch?v=apMwty7GTC0>.

High-Tech Nursing Lab

Lakeview College of Nursing recently purchased two fully simulated life-sized adult human patient simulators. The new mannequins blink, speak, breathe, have a heartbeat and a pulse as well as respond to procedures such as CPR, intravenous medications, intubation, ventilation, and catheterization. These high-tech simulators, manufactured by Medical Education Technologies, (METI) will provide students with the most true-to-life experience available in a lab setting. One simulator resides in the nursing skills lab of the Danville, IL Campus and the other is on site within the LCN/Eastern Illinois University Lab in Charleston, IL. LCN also owns a life-sized infant patient simulator which travels between both campuses.

LCN Received an IBHE Program Approval Grant

The Illinois Board of Higher Education granted LCN \$29,638 for using mannequin simulators to increase the NCLEX pass rates by improving the nursing students' abilities to apply knowledge to practice in a variety of clinical situations.

Thank You from Erika Carey's Family

We received a nice "thank you" from Erika Carey's family. A video has been made of Erika's life, along with pictures of the funeral and gathering at her parent's home.

It includes the sound track played at the funeral, as well as the audio of the funeral. The family is asking \$5.00 for each video/CD to cover the production and shipping. If you are interested, please contact:

LCN Nursing Advisory Board

Lakeview College of Nursing has appointed two nursing advisory boards; one for the Danville campus and one for the LCN-EIU campus. Board members are nurses from clinical agencies utilized by the College (i.e., Provena, Carle, the Pavilion, Illiana Health Care Systems, Sarah Bush Lincoln Health Systems, Gowin Parc) and, local nursing education programs (i.e. Danville Area Community College, Lake Land College, Parkland College, Eastern Illinois University, and Indiana State University); and, LCN faculty. Many of the Nursing Advisory Board Members are graduates from Lakeview College or School of Nursing. The Board is planning to meet once during the Fall and again in the Spring semester. The goals of the Nursing Advisory Board are to provide input to increase the visibility and viability of the College as well as keep the College apprised of current trends in other institutions, nursing, and health care.
