General Education Exemption & Prerequisite Requirements

For those with Previous Bachelor's

Students who have previously completed a bachelor's degree at another institution of higher education will be exempt from completion of any unsatisfied general education requirements as long as the cumulative grade point average for the completed degree is 2.5 or higher.

Nonetheless, specific prerequisite courses must be completed with a grade of "C" or better. Additional coursework may be required as some institutions may require prerequisites prior to enrolling in required courses listed. Please be advised that there are financial aid implications if any of these courses are not successfully completed prior to beginning the nursing curriculum. If coursework is incomplete students will remain at sophomore status in consideration for student loans.

The following prerequisite courses are required:

- _____ Anatomy & Physiology I or Human Anatomy (4 cr. with lab)
- _____ Anatomy & Physiology II or Human Physiology (4 cr. with lab)
- _____ *Chemistry I or Inorganic Chemistry (4 cr. with lab)
- _____ *Chemistry II or Organic/Biochemistry (4 cr. with lab)
- _____ Life Span Development or Human Growth & Dev. (3 cr.)
- _____ Medical Terminology (1 cr.) [Available online through LCN]
- _____ Microbiology (4 cr. with lab)
- _____ Nutrition (3 cr.)
- _____ *Statistics (3 cr.)

Transfer credits will be considered from accredited institutions. Please be advised that Anatomy & Physiology, Microbiology and Chemistry coursework needs to be completed within the last 5 years.

Additional Requirement: *Current CPR Certification. Certification must cover both choking and CPR for infants, children and adults including two-rescuer for children and adults. May take college course for credit or gain certification through American Heart Association or American Red Cross or another organization.*

***Indicates courses offered on Lakeview's Danville Campus.** *You have the option of taking these (*) courses at Lakeview in Danville or at another institution. All coursework fulfilled at another institution must be indicated on an official transcript. Transcripts should be mailed to the attention of*
