

Here is the link and instructions:

The VA web based privacy policy training module can be accessed at:  
<https://www.ees-learning.net>

Below are instructions for getting registered at the Danville VA:

- Click "First Time Users" on top left of page.  
Go through and enter your information
1. On the first pop-up page that is displayed, choose "Non-Federal Other"
  2. On the registration page in appropriate fields;
    - a. Enter First Name
    - b. Enter Middle Name
    - c. Enter Last Name
    - d. Enter Last 4 Digits of SS#
  3. Choose Occupation—either "Nurse" or "Other"
  4. Once registration is complete, close the pop-up window
  5. Read through and complete the quiz at the end of every module
  6. Certificates can be printed once each course is completed.
  7. Make sure you print the certificates off and take them to your first day of VA clinical
