# Coursework Required for Admission

## Kaskaskia Community College

---

Lakeview requires 60 credit hours in general education and prerequisite courses. At least 45 credit hours should be complete at the time of application. It is necessary to fulfill the majority of this coursework at another institution and then transfer credit hours to Lakeview. Additional coursework may be required as some institutions may require prerequisites prior to enrolling in courses listed below. The credit hours listed reflect minimum Lakeview requirements and may not reflect the actual credit hours of each listed course. **Furthermore, due to varying credit hours for transfer courses, students may be required to complete additional coursework to fulfill the 60 credit hour general education requirements.**

**\*Indicates courses offered on Lakeview's Danville Campus.** You have the option of taking these (\*)courses at Lakeview in Danville [or on-line, if indicated] as a non-degree seeking student or at another institution **PRIOR** to beginning the nursing program. Additionally, please be advised that these courses will not quality for financial aid at Lakeview.

**All prerequisite coursework must be indicated on an official transcript before students will be able to begin the nursing program.**
